City AV is a specialist integrator of high quality visual communications technologies and provides comprehensive system design, installation and support services for projects of all levels of complexity.

We are pleased to announce that we now supply a range of wood based audio visual furniture such as lecterns, rack and mixing desk cabinets with the addition of other many bespoke projects.

Our primary emphasis is firmly upon quality. All of these items are made using the most superior and robust materials available and are manufactured to a high standard.

Please browse through this catalogue by clicking on the menu options to the left and feel free to contact us for a quote.

Rack Strips

PRODUCT SPECIFICATION

Our rack strips are made from 2mm powder coated mild steel.

The strips are sold in lengths of 2000mm (44u) and can be cut to any U size. Therefore a 2000mm length of rack strip can provide a maximum of 2 x 22u rack strips.

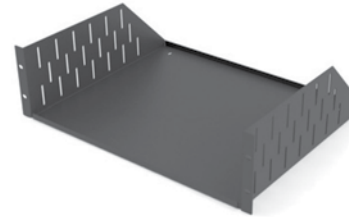

1u-2u Rack Shelf

PRODUCT SPECIFICATION

This steel rack shelf is available as a 1u or 2u unit.

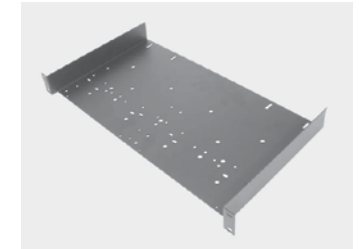

3u-4u Rack Shelf

PRODUCT SPECIFICATION

This steel rack shelf is available as a 3u or 4u unit.

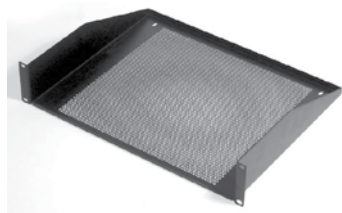

Utility Rack Shelf

PRODUCT SPECIFICATION

This utility rack shelf is available as a 1u unit.

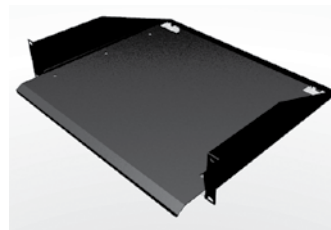

Vented Rack Shelf

PRODUCT SPECIFICATION

This vented Rack Shelf includes perforation which allows 61% free air flow.

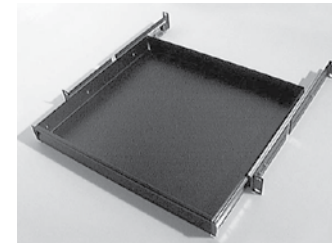

Sliding Rack Shelf

PRODUCT SPECIFICATION

This sliding Rack Shelf is available as a 2u unit.

Rack Drawer/Shelf

PRODUCT SPECIFICATION

This Rack Drawer/Shelf is a 1u unit and comes with or without slam locks.

Rack Drawer

PRODUCT SPECIFICATION

This lockable rack drawer is available in heights of 2u, 3u, 4u, 5u & 6u.
